

## WATER EXERCISE

### Vitamin D - ELKS POOL\*\*

Refreshing, invigorating and just plain fun. Get outdoors for your aerobic water fitness experience and enjoy the benefits of the water and the North Dakota summer!

**\*\*ELKS POOL CLOSING 8/20. NO 11:00 CLASSES WILL RUN AFTER 8/17. THE 5:15 PM MON/WED CLASSES WILL MOVE INDOORS STARTING 8/20\*\***

### Y Water Fit

A low-impact alternative to traditional land aerobics with the intensity you want. Aerobic activity and strength exercises allow you to reach your fitness goals and protect your joints.

### Shallow Water Power

A high intensity, low impact workout focused on cardiovascular training, muscle toning, flexibility and coordination. Cardio movements include walking, jogging, kicking, cross-country ski movements and jumping jacks. Class is an interval format. Benefits include: increased endurance, flexibility, muscle strength and toning. Swimming skills are not required.

### Total Body Conditioning

A great combination of cardio and weight training in deep water. Participants should be comfortable in the water. Flotation devices are provided.

### Boot Camp H<sub>2</sub>O

This exciting and challenging workout incorporates cardiovascular work, strength and core training - setting new standards in water-based fitness. A great challenge for all ages.

### Aqua Pilates

Strengthen your core, back, and entire body - and enhance your posture, alignment, and flexibility. A great alternative to Mat Pilates classes for people with limited mobility.

## Y SPECIALTY PROGRAMS

### YMCA Parkinson Wellness Recovery Program

Physical and cognitive activities to help improve the lives of people living with Parkinson Disease. Classes include activities to enhance brain function, balance, flexibility, strength, and more. **Meets Mon/Wed, 10:30 am.**

### Rock Steady Boxing

A boxing based circuit training program for people fighting back against Parkinson Disease. This exciting new program provides non-contact boxing fitness including boxing technique with heavy & speed bags, jump ropes, core work, calisthenics, and circuit weight training. **Meets Tues, 10:30 am.**

### LIVESTRONG® at the YMCA

A free physical activity and well-being program for cancer survivors. Classes meet 2X/week for 12 weeks. A caregiver or friend is welcome to attend with the participant. Contact Patti or Mike for more info.

**Open House: Sept 5, 5:30-7:00 pm.**

**New class starts Sept 24, Mon/Wed, 4:15 pm.**

### National Diabetes Prevention Program

A lifestyle change program to help people lose weight, increase physical activity and develop a healthier lifestyle to help prevent the onset of type 2 diabetes. (Formerly called Weigh 2 Change.)

**Fall session starts September 5, 4:30 pm.**

**For more info, call us: (701) 775-2586, or visit: [www.gfymca.org](http://www.gfymca.org).**

## ACTIVE OLDER ADULT & SLOWER PACED

### SilverSneakers® Classic

Increase muscle strength and range of movement, and improve activities for daily living. You'll have a chair for seated exercises and standing support. Your instructor can modify the exercises for your fitness level.

### SilverSneakers® Circuit

Experience standing, low-impact choreography alternated with standing upper-body strength work. This class is suitable for nearly every fitness level, and your instructor can adapt the exercises depending on your skill.

### SilverSneakers® Yoga

Move through seated and standing yoga poses designed to increase flexibility, balance, and range of movement. Finish with restorative breathing exercises and final relaxation to promote reduced stress and mental clarity.

### Balance Boost

Improve your balance, posture, flexibility, and cardiovascular capacity for enhanced functionality for daily living. Exercises target the body from head to toe, with an emphasis on lower body strength and lower & upper body coordination, for enhanced balance and stability. This class is focused on helping to keep you healthy, strong, mobile and independent. Exercises presented are challenging and effective for all fitness levels. Chairs are available for seated and standing support.

### LIVESTRONG YogaFlex

A yoga-based class incorporating sitting and standing poses (not a mat class) for improved balance, posture, strength & flexibility. Equipment used include: chairs and occasional light hand weights or balls. Great for anyone who prefers not to get down on the floor. **Free to all LIVESTRONG at the YMCA Alumni.** Everyone welcome.

### BOOM® Muscle

Muscle incorporates athletic-based exercises that improve upper body conditioning. You'll move through several "blocks," which are groups of exercises that focus on different muscle groups. The focus of this class is on toning muscles and building overall strength. Appropriate for active older adults or people of any age who want a faster-paced challenging workout in 30 minutes.

### BOOM® Move

A higher intensity dance workout class that improves cardio endurance and burns calories. MOVE IT is all about breaking a sweat and having fun. The class focuses on cardio endurance by starting with simple dance moves then building into more complex sequences, bringing you a great cardio workout. Appropriate for active older adults or people of any age who want a faster-paced challenging workout in 30

## INDOOR GROUP CYCLING

### Y Group Cycling

One of the best cardiovascular and muscular endurance workouts available including a series of fun drills, hill climbs, races, etc., and ending with a cool down/stretch. Call Member Services on class day to reserve your bike.

# FIND WHAT MOVES YOU

ALTRU FAMILY YMCA

## Group Fitness Classes

Free to YMCA/Choice members unless otherwise noted.

Altru Family YMCA • 215 N 7th St • Grand Forks, ND 58203

(701) 775-2586 • [www.gfymca.org](http://www.gfymca.org) • Contact: Patti McEnroe

Schedule is subject to change at any time. © 2017, Altru Family YMCA

AUGUST, 2018 (July 30-Sept 2)

## CARDIO & CARDO/STRENGTH COMBO

### NuBody

Prepare to be motivated! This intense, high-energy workout features cardio, muscle toning and flexibility work, with music that will move you and results that will keep you coming back.

### P90X® LIVE

A rich variety of intense routines from cardio to resistance training, strength training, plyometrics, ab work and more. Using the science of Muscle Confusion™, P90X constantly switches things up to help you bust through plateaus. Modifications are offered so people at any level can participate.

### Suspension Basic Training

Using TRX suspension trainers, BOSUs, balls and other equipment, this body weight class will challenge you in every way for a super strong upper body, lower body and core. Call Member Services on class day to reserve your spot.

### BRICKS

With a strong emphasis on kickboxing and strength building, this class incorporates interval training, bodyweight exercises, and weight resistance. This class is designed to challenge and push you, yet at your own pace. Each class is different, every workout unique. The variety this class offers will keep the fun in your workout and keep you coming back for more!

### BOOM® Muscle & BOOM® Move

Muscle and Move It incorporate athletic-based strength & cardio workouts for a total-body workout: great for active older adults, new exercisers and anyone who wants a great 30 minute option. See opposite page for more details.

### Boot Camp

This intense and advanced boot camp style class features a creative variety of challenging total body moves using a wide variety of equipment. Your instructor will motivate you to push and do your best!

### Total Body Fusion

An athletic based total body workout focusing on various HIIT cardio drills, conditioning, strength training and agility. The last 10 minutes of class will focus on flexibility using basic yoga.

### Step & Strength

Cardio step training paired with strength training for a complete workout. Class includes approximately 40 minutes of cardio step plus strength and core training and a cool down stretch.

### SpeedPack Running Group

Improve your running performance with a variety of unique workouts including speed, interval, core, and more. Run approx. 4-5 miles outdoors, weather permitting or indoors. Sign up at the front desk any time - meet in the YMCA lobby.

## MIND / BODY

### Yoga

Class begins with breath awareness and a few moments of quiet reflection. Gentle stretching opens the way to a practice of yoga poses to build strength, flexibility, and awareness.

### Heated Yoga

A traditional Hatha Yoga class in a heated environment. Benefits may include: efficient metabolism; detoxification; safe, easy stretching; improved spinal integrity and nervous system function; enhanced mental focus; and more.

### LIVESTRONG® YogaFlex

A yoga-based class incorporating sitting and standing poses (not a mat class) for improved balance, posture, strength & flexibility. Equipment used include: chairs and occasional light hand weights or balls. Great for anyone who prefers not to get down on the floor. **Free to all LIVESTRONG at the YMCA Alumni.** Everyone welcome.

### SilverSneakers® Yoga

Move through seated and standing yoga poses designed to increase flexibility, balance, and range of movement. Finish with restorative breathing exercises and final relaxation to promote reduced stress and mental clarity.

### Yoga on the Greenway

Enjoy outdoor yoga every Saturday morning at 10 am, behind the Toasted Frog. Bring your own mat, water, sun protection and anything else you may need. Class will be held indoors at the Y in case of inclement weather. Bring a friend - class is free & open to the public!

## STRENGTH, STRETCH & CORE

### Strength & Sculpt

This ultimate total-body strength & balance workout utilizes weights, bands, balls, bars, and more - along with your own body weight - to give you the perfect complement to your cardio training.

### Group Strength Training

This class focuses on upper body, lower body and core strength. Using various types of equipment, strengthen and tone your whole body. A perfect compliment to your cardio workout.

**Balance Boost** (See description on back page.)
