

WATER EXERCISE

Y Water Fit

A low-impact alternative to traditional land aerobics with the intensity you want. Aerobic activity and strength exercises allow you to reach your fitness goals and protect your joints.

Shallow Water Power

A high intensity, low impact workout focused on cardiovascular training, muscle toning, flexibility and coordination. Cardio movements include walking, jogging, kicking, cross-country ski movements and jumping jacks. Class is an interval format. Benefits include: increased endurance, flexibility, muscle strength and toning. Swimming skills are not required.

Total Body Conditioning

A great combination of cardio and weight training in deep water. Participants should be comfortable in the water. Flotation devices are provided.

Boot Camp H₂O

This exciting and challenging workout incorporates cardiovascular work, strength and core training - setting new standards in water-based fitness. A great challenge for all ages.

Aqua Pilates

Strengthen your core, back, and entire body - and enhance your posture, alignment, and flexibility. A great alternative to Mat Pilates classes for people with limited mobility.

SilverSneakers® Splash

A fun, shallow-water exercise class that uses a signature *splash-board* to increase movement and intensity options. *Splash* is suitable for all skill levels and is safe for non-swimmers. The pool provides many benefits when used for aerobic exercise and resistance training.

Aqua Zumba®

Aqua Zumba® blends the *Zumba®* philosophy with water resistance, for one pool party you shouldn't miss! There is less impact on your joints during an *Aqua Zumba®* class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles.

ACTIVE OLDER ADULT & SLOWER PACED

SilverSneakers® Classic

Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance; and a chair is used for seated and/or standing support.

SilverSneakers® Circuit

Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper-body strength work with hand-held weights, elastic tubing with handles, and a SilverSneakers ball is alternated with low-impact aerobic choreography. A chair is used for standing support, stretching and relaxation exercises.

SilverSneakers® Yoga

SilverSneakers Yoga will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

SilverSneakers Splash

Please see **WATER EXERCISE**.

Fit For Life

Increase your muscle strength, mobility and range of motion to enhance your daily living skills. Move your body to upbeat music with basic movements like marching, arm movements, strength and muscle toning exercises and stretching for flexibility. The use of chairs is optional.

BOOM® Muscle

Muscle incorporates athletic-based exercises that improve upper body conditioning. You'll move through several "blocks," which are groups of exercises that focus on different muscle groups. The focus of this class is on toning muscles and building overall strength. Appropriate for active older adults or people of any age who want a faster-paced challenging workout in 30 minutes.

BOOM® Move It

A higher intensity dance workout class that improves cardio endurance and burns calories. MOVE IT is all about breaking a sweat and having fun. The class focuses on cardio endurance by starting with simple dance moves then building into more complex sequences, bringing you a great cardio workout. Appropriate for active older adults or people of any age who want a faster-paced challenging workout in 30 minutes.

LIVESTRONG YogaFlex
