

WATER EXERCISE

Y Water Fit

A low-impact alternative to traditional land aerobics with the intensity you want. Aerobic activity and strength exercises allow you to reach your fitness goals and protect your joints.

Shallow Water Power

A high intensity, low impact workout focused on cardiovascular training, muscle toning, flexibility and coordination. Cardio movements include walking, jogging, kicking, cross-country ski movements and jumping jacks. Class is an interval format. Benefits include: increased endurance, flexibility, muscle strength and toning. Swimming skills are not required.

Total Body Conditioning

A great combination of cardio and weight training in deep water. Participants should be comfortable in the water. Flotation devices are provided.

Boot Camp H₂O

This exciting and challenging workout incorporates cardiovascular work, strength and core training - setting new standards in water-based fitness. A great challenge for all ages.

Aqua Pilates

Strengthen your core, back, and entire body - and enhance your posture, alignment, and flexibility. A great alternative to Mat Pilates classes for people with limited mobility.

SilverSneakers® Splash

A fun, shallow-water exercise class that uses a signature splash-board to increase movement and intensity options. Splash is suitable for all skill levels and is safe for non-swimmers. The pool provides many benefits when used for aerobic exercise and resistance training.

STRENGTH, STRETCH & CORE

Strength & Sculpt

This ultimate total-body strength & balance workout utilizes weights, bands, balls, bars, and more - along with your own body weight - to give you the perfect complement to your cardio training.

Group Strength Training

This class focuses on upper body, lower body and core strength. Using various types of equipment, strengthen and tone your whole body. A perfect compliment to your cardio workout.

MMMM (Monday Morning Mindfulness & Movement) New!

Start the week with calm intention. We will incorporate breathing, stretching, balance and strength poses and movements while encouraging our minds to "stay in the moment." Many of the moves and positions are similar to those in other stretch and strength types of classes and will involve standing, lying, sitting and kneeling. Cueing will be offered to assist participants from beginners onward.

Stretch & Core

The perfect blend of core strengthening and stretching for enhanced stability and flexibility, in a heated environment.

Balance Boost - See description under Active Older Adult and Slower Paced.

ACTIVE OLDER ADULT & SLOWER PACED

SilverSneakers® Classic

Increase muscle strength and range of movement, and improve activities for daily living. You'll have a chair for seated exercises and standing support. Your instructor can modify the exercises for your fitness level.

SilverSneakers® Circuit

Experience standing, low-impact choreography alternated with standing upper-body strength work. This class is suitable for nearly every fitness level, and your instructor can adapt the exercises depending on your skill.

SilverSneakers® Yoga

Move through seated and standing yoga poses designed to increase flexibility, balance, and range of movement. Finish with restorative breathing exercises and final relaxation to promote reduced stress and mental clarity.

Balance Boost

Improve your balance, posture, flexibility, and cardiovascular capacity for enhanced functionality for daily living. Exercises target the body from head to toe, with an emphasis on lower body strength and lower & upper body coordination, for enhanced balance and stability. This class is focused on helping to keep you healthy, strong, mobile and independent. Exercises presented are challenging and effective for all fitness levels. Chairs are available for seated and standing support.

LIVESTRONG YogaFlex

A yoga-based class incorporating sitting and standing poses (not a mat class) for improved balance, posture, strength & flexibility. Equipment used include: chairs and occasional light hand weights or balls. Great for anyone who prefers not to get down on the floor. **Free to all LIVESTRONG at the YMCA Alumni.** Everyone welcome.

BOOM® Muscle

Muscle incorporates athletic-based exercises that improve upper body conditioning. You'll move through several "blocks," which are groups of exercises that focus on different muscle groups. The focus of this class is on toning muscles and building overall strength. Appropriate for active older adults or people of any age who want a faster-paced challenging workout in 30 minutes.

BOOM® Move

A higher intensity dance workout class that improves cardio endurance and burns calories. MOVE IT is all about breaking a sweat and having fun. The class focuses on cardio endurance by starting with simple dance moves then building into more complex sequences, bringing you a great cardio workout. Appropriate for active older adults or people of any age who want a faster-paced challenging workout in 30
