

WATER EXERCISE

Y Water Fit

A low-impact alternative to traditional land aerobics with the intensity you want. Aerobic activity and strength exercises allow you to reach your fitness goals and protect your joints.

Shallow Water Power

A high intensity, low impact workout focused on cardiovascular training, muscle toning, flexibility and coordination. Cardio movements include walking, jogging, kicking, cross-country ski movements and jumping jacks. Class is an interval format. Benefits include: increased endurance, flexibility, muscle strength and toning. Swimming skills are not required.

Total Body Conditioning

A great combination of cardio and weight training in deep water. Participants should be comfortable in the water. Flotation devices are provided.

Boot Camp H₂O

This exciting and challenging workout incorporates cardiovascular work, strength and core training - setting new standards in water-based fitness. A great challenge for all ages.

Aqua Pilates

Strengthen your core, back, and entire body - and enhance your posture, alignment, and flexibility. A great alternative to Mat Pilates classes for people with limited mobility.

SilverSneakers® Splash

A fun, shallow-water exercise class that uses a signature *splash*-board to increase movement and intensity options. *Splash* is suitable for all skill levels and is safe for non-swimmers. The pool provides many benefits when used for aerobic exercise and resistance training.

CARDIO & CARDIO/STRENGTH COMBO

Y Group Cycling

One of the best cardiovascular and muscular endurance workouts available including a series of fun drills, hill climbs, races, etc., and ending with a cool down/stretch.

NuBody

Prepare to be motivated! This intense, high-energy workout features cardio, muscle toning and flexibility work, with music that will move you and results that will keep you coming back.

P90X® Live

A rich variety of intense routines from cardio to resistance training, strength training, plyometrics, ab work and more. Using the science of Muscle Confusion™, P90X constantly switches things up to help you bust through plateaus.

Total Body Sculpt & Tone

Strengthen and define your entire body with this highly intense but easy to follow, cardio and total muscle-conditioning workout with light weights to sculpt and tone your body.

BRICKS

A combination of strength and cardio training using body weight resistance, interval training, kickboxing, weights and more

BOOM® Muscle & BOOM® Move

Muscle and Move It incorporate athletic-based strength & cardio workouts for a total-body workout: great for active older adults, new exercisers and anyone who wants a great 30 minute option. See opposite page for more details.

Boot Camp

This intense and advanced boot camp style class features a creative variety of challenging total body moves using a wide variety of equipment.

ACTIVE OLDER ADULT & SLOWER PACED

SilverSneakers® Classic

Increase muscle strength and range of movement, and improve activities for daily living. You'll have a chair for seated exercises and standing support. Your instructor can modify the exercises for your fitness level.

SilverSneakers® Circuit

Experience standing, low-impact choreography alternated with standing upper-body strength work. This class is suitable for nearly every fitness level, and your instructor can adapt the exercises depending on your skill.

SilverSneakers® Yoga

Move through seated and standing yoga poses designed to increase flexibility, balance, and range of movement. Finish with restorative breathing exercises and final relaxation to promote reduced stress and mental clarity.

BOOM® Muscle

Muscle incorporates athletic-based exercises that improve upper body conditioning. You'll move through several "blocks," which are groups of exercises that focus on different muscle groups. The focus of this class is on toning muscles and building overall strength. Appropriate for active older adults or people of any age who want a faster-paced challenging workout in 30 minutes.

BOOM® Move

A higher intensity dance workout class that improves cardio endurance and burns calories. MOVE IT is all about breaking a sweat and having fun. The class focuses on cardio endurance by starting with simple dance moves then building into more complex sequences, bringing you a great cardio workout. Appropriate for active older adults or people of any age who want a faster-paced challenging workout in 30 minutes.

Balance Boost

Improve your balance, posture, flexibility, and cardiovascular capacity for enhanced functionality for daily living. Exercises target the body from head to toe to keep you healthy, strong, mobile and independent. Chairs are available for seated and standing support.

LIVESTRONG YogaFlex

A yoga-based class incorporating sitting and standing poses (not a mat class) for improved balance, posture, strength & flexibility. Equipment used include: chairs and occasional light hand weights or balls. Great for anyone who prefers not to get down on the floor.

CARDIO & CARDIO/STRENGTH COMBO

Total Body Fusion

A combination of strength and cardio training using HIIT interval, tabata, and various other teaching methods, utilizing bands, balls, weights, bars, BOSU and more - along with your own body weight - to give you the perfect total body training. The last 10 minutes of class will focus on core strength.

Step & Strength

Cardio step training paired with strength training for a complete workout. Class includes approximately 40 minutes of cardio step plus strength and core training and a cool down stretch.

SpeedPack Running Group

Improve your running performance with a variety of unique workouts including speed, interval, core, and more. Run approx. 4-5 miles outdoors, weather permitting or indoors. Sign up at the front desk any time - meet in the YMCA lobby.

Zumba

Zumba is a Latin-inspired dance-fitness class incorporating Latin, International, and popular music with dance movements to create a dynamic, exciting, and effective fitness system. Traditional dances such as Salsa, Cumbia, Merengue and Reggaeton, etc. are mixed with contemporary Hip-Hop, Pop, Jazz and Fitness Moves.

MIND / BODY

Yoga

Class begins with breath awareness and a few moments of quiet reflection. Gentle stretching opens the way to a practice of yoga poses to build strength, flexibility, and awareness.

Heated Yoga

A traditional Hatha Yoga class in a heated environment. Benefits may include: efficient metabolism; detoxification; safe, easy stretching; improved spinal integrity and nervous system function; enhanced mental focus; and more.

MMMM (Monday Morning Mindfulness & Movement)

Start the week with calm intention. We will incorporate breathing, stretching, balance and strength poses and movements while encouraging our minds to "stay in the moment." Many of the moves and positions are similar to those in other stretch and strength types of classes and will involve standing, lying, sitting and kneeling. Cueing will be offered to assist participants from beginners onward.

Pilates

Improve your posture, strengthen your back and abdominal muscles, increase flexibility, prevent stress and back pain, tone muscles and sharpen your mind/body connection - with simultaneous stretching and strengthening in a non-impact balanced system.

Detox Flow

This all-levels class links breath and movement to support the body's natural detoxification process, to improve circulation, and digestion, balance energy, relieve aches and pains, improve the immune system, build strength, increase flexibility, and improve mental health.

Sleep Meditation Yoga

Warm up with simple yet dynamic posture sequencing that will tone, strengthen the body, balance energy, stretch the muscles and connective tissues, and ready the body to lie comfortable through a guided sleep meditation (yoga Nidra). Yoga Nidra is an ancient method of healing backed by modern research with healing benefits for trauma and PTSD, insomnia, chronic pain, symptoms of type 2 diabetes, and more.

SilverSneakers® Yoga

Move through seated and standing yoga poses designed to increase flexibility, balance, and range of movement. Finish with restorative breathing exercises and final relaxation to promote reduced stress and mental clarity.

LIVESTRONG® (LS) YogaFlex

Free to all LIVESTRONG at the YMCA Alumni. Everyone welcome. See description under Active Older Adult/Slower Paced. Includes seated and standing poses (no floor work).

Pilates Hybrid Flow

A low-impact, intermediate-intensity total-body workout combining mat Pilates exercises with the flowing movements and poses of yoga. Increase flexibility, strengthen and sculpt your entire body. Class is located in the heated yoga studio.
