

Proceeds Benefit YMCA Partner of Youth

The Altru Family YMCA is committed to ensuring that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive, with no child, individual or family being turned away due to the lack of financial resources.

The YMCA Partner of Youth Scholarship Program provides the financial assistance necessary for youth and families in our community to participate in programs and services at the Y.

Most awarded scholarships cover a portion of the membership, program or service fees, while the applicants pay the remainder of the fees, establishing a sense of ownership and pride in their Y involvement.
