Come join the fun! The YMCA has volleyball leagues on Monday and Wednesday nights beginning September 24th & September 29th. The Social on Monday, September 8th, is a night for players to meet new people and have some fun. We'll have games going at different skill levels. It's a great way to meet other players if you're looking for a team and get some practice playing before the leagues start.

The 9-week league begins Wednesday, September 24th and ends with a tournament involving all teams with prizes for first and second place in every division.
