

The Anchor Offensive Line Clinic, presented by the Grand Forks YMCA Football Academy, is a high-level, offensive line-specific development event for current 8th–11th grade athletes who aspire to play college football. This two-hour clinic features technical on-field training, film review and evaluation, recruiting and placement consultation, and the opportunity to train alongside and be evaluated with some of the region's top offensive linemen. Participation is limited to invited athletes and the first 12 registered players, creating an exclusive and competitive environment focused on technique, development, and OL unity. All participants receive a clinic T-shirt and are added to the official **Anchor Award Watch List**, recognizing the offensive lineman who demonstrates the most impressive varsity performance during the 2026 season.
