## YMCA YOUTH SPORTS

The Y is dedicated to building healthy, confident, connected and secure children. We believe all kids deserve the opportunity to discover who they are and what they can achieve. That's why, through the Y, millions of youth today are cultivating values, skills and relationships that lead to positive behaviors, better health and educational achievement.

When your child participates in YMCA Youth Sports, they learn the basics, improve their skills and make new friends. Here at the Y, we make sure that every child gets to play and that our games are safe, fair, and most of all, fun. For information about programs offered at the Altru Family YMCA, visit our web site at: [www.gfymca.org](http://www.gfymca.org).
