Child Care Providers & Preschool Teachers

The YMCA Educational Center serves children age infants to preschool. Your goal as a YMCA child care teacher is to provide a warm and nurturing environment in which children can grow in spirit, mind and body, while having fun in a safe and supervised environment.

Day Camp Counselors & Camp Coordinator

Adventure Camp and Wilderness club are day camps that run through the summer months. With the guidance of our counselors, children are introduced to a wide variety of activities at the Y and local parks and areas of interest.

Personal Trainers & Fitness Instructors

Your love of fitness could take you in a lot of directions. We are always looking for enthusiastic people to lead group classes and work with our members and guests as trainers as well as work in our beautiful state-of-the-art fitness center.

Youth Sports Coaches

Do you love sports AND kids? Y Youth Sports is for you. We offer basketball, soccer, flag football, whiffleball, karate, volleyball, and more! There is nothing more satisfying to an athlete than helping our youth develop lifelong skills and the love of playing sports.

Swim Instructors & Lifeguards

Your love of the water can keep kids and adults safe and be extended to the kids in your swim classes. Did you know that the Y is "America's Swim Instructor"? The Y actually invented swim lessons and to this day offers the most comprehensive swim curriculum.

Member Service Representatives

Do you enjoy meeting new people? Our member services desk is always in need of friendly, helpful staff to check members in, give directions, enroll memberships and register adults and kids for programs.

ADDITIONAL BENEFITS OF EMPLOYMENT AT THE Y

- Fantastic experience - great for resume building or career advancement.
- Complimentary Y membership which includes Choice Health & Fitness members privileges.
- YMCA Nationwide Membership: use Ys in other U.S. cities at no extra charge.
- Employee discounts on programs and merchandise.
